Foot peeling pack "PERORIN"

Easy to remove
extra old skin.
Just soak feet
and wait 1 hour.

Q1 How it works ?

The lactic acid works by daily friction to peel away old extra skin.

Q2 How to use ?

Just put feet into the bag containing lactic acid liquid for 1~1.5hrs. After that please wash away with water.

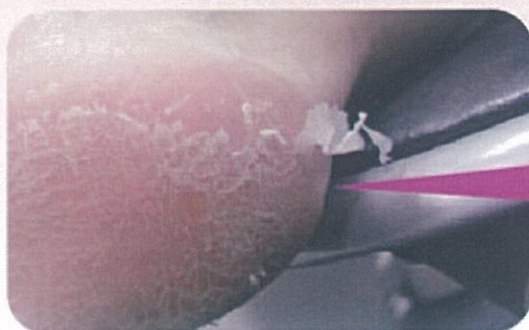

That's it !!

Too easy !!

Q3 When old skin peel off ?

After 5-7days, old extra skin will begin to peel away. About 2weeks later, feet will be like a baby's skin.

After
5~7
days.

Q4 Is it Painful ?

Not at all! It works by daily friction. So you only wait 5~7days!

*Please Do not remove the skin by force.

The lovely days
start from
beautiful feet !!
